This 4 week project is based around the general theme of critical thinking.

During each of the four weeks, the participants will be sent access to the TED-ED activity.

This activity includes 1) a video, 2) a quiz based on the video, and 3) reflection.

### Week Topics

- **Week one**: Why do people fear the wrong things?
- **Week two**: Managing Conflicts
- **Week three**: Critical Thinking
- **Week four**: Why it’s so hard to make healthy decisions

Each week, there will also be a 1.5 hour Online Facilitated Dialogue session based around that week’s topic/theme.

Participants must be 18-30 and connected to a school, university, Vocational Education Centre or Youth Centre that is a project partner.

- **Start date**: 27th April 2020
- **End date**: 31st May 2020

To join this project, please contact your organisation.
